Dear Mr Tony Skeggs

I would like to introduce myself Jamie Hudson, ██████████ and have lived in Stoke Mandeville for 1 year and 10 months but have lived in the Aylesbury area for 6 years, before this time I lived in the Hillingdon Borough which was my family's parental home. I am a motivated individual, with a passion for assisting and helping people and communities.

I am currently a stay-at-home carer looking after my children with disabilities and have been for the last 5 years. Whilst I have been caring for my children, I have been running a grassroots football team as a volunteer since September 2022. In this role I am fully DBS checked and manage a group of 20 under 14's children.

Before this I have held various roles in the electrical wholesale industry working my way up from warehouse to counter sales then onto external salesman to finally gaining the branch manager role. This took a lot of hard work and passion to achieve the positions in which I held.

I am a motivated, results-driven individual with hands on customer service experience and have a great rapport within my customer base. Resourceful and proactive, I combine effective communication skills with extensive knowledge to identify opportunities and deliver outstanding outcomes.

I can bring to the parish council a committed and attentive person who considers all aspects of the local communities needs and aspirations.

I am very interested in the upkeep of our local community parks and facilities and to strive keep improving the quality of life Stoke Mandeville Parish. I also am interested in bringing the community together with setting up events and planning to keep the whole community engaged.

I would be very interested in the Parish Councillor role and look forward to hearing from you.

Kind Regards

Jamie Hudson
