Could the Parish Council confirm receipt of the signatures of those residents who were in favour of a footpath connecting The Hawthorns with the playing field. Had the Parish Council received a response from Buckinghamshire Council on the management of the grass verges on The Hawthorns. A resident informed the meeting that he had spoken to Abbey Homes, and they were prepared to investigate the possibility of a footpath. Resident to supply the Parish Council with the contact details.

24/32	DEVELOPMENT PLAN AWAY DAY Following a successful Away Day on Saturday where the role of the Parish Council was considered. Cllr Shanahan suggested the next course of action would be to write all the comments / suggestions up into a structured plan. The plan could be prioritised at another session. It was suggested that this should take place at 6pm on the 16 th April. Cllr Shanahan thanked everyone who attended the Away Day.	
24/33	BUCKS CC SPORTS AND SOCIAL CLUB The proposal to purchase the site had been submitted to Buckinghamshire Council on the 29 February. 24/34	NEIGHBOURHOOD PLAN Cllr Prestage updated the meeting with the current position. The Plan was currently in the final consultation phase where all comments received by Buckinghamshire Council would be passed to the Inspector. The consultation would end on the 18 th April 2024,	

so everyone was encouraged to support the Plan. There would be a press release in

the Bucks Herald. A link to the consultation page could be found on the PC website and Facebook page.

24/35 PLANNING

- a) There following planning applications were considered:
 - 24/00660/APP 11 Eskdale Road Application for a dropped kerb & crossover.
 After consideration Councillors voted to OBJECT to the application for the following reasons.
 - 1. The grass verge was private land, owned by Fairhive Housing.
 - 2. It would lead to a removal of a green space.
 - 3. It could lead to further applications from fellow residents.
 - 4. There was no existing drive, as referenced in the application, so a further green space would disappear.
 - 5. It was likely that some mature trees would need to be felled.
 - 24/00770/APP 25 Hampden Road Single storey front/side extension and removal of garage. Councillors voted to offer NO OBJECTIONS to the planning application.
- b) Footpath from The Hawthorns Abbey Homes had responded that they were not in a position to amend the planning decision to accommodate a footpath. The development was not yet finished and then needed to be signed off by Buckinghamshire Council, so until then the responsibility of the open spaces remained with Abbey Homes. The final layout of the houses was different to the original layout, so Cllr Field volunteered to review the application to see when the change had been agreed.

24/36 COMMUNITIES COMMITTEE

- a) Cllr Ezra reported on the Communities Committee held on the 12th March. The draft minutes were **NOTED**.
- b) After consideration the decision of the Communities Committee to purchase a 10m wide climbing wall for the Eskdale Road playing field was confirmed. To resolve that under the Public Bodies (Admissions to Meetings) Act, the public and press be excluded from the meeting during consideration of the following item of business as publicity would be prejudicial to the public interest due to the confidential nature of the business to be transacted.

24/41 SOLAR PANELS FOR COMMUNITY CENTRE

Following the waiving of Financial Regulation 11.1.b in order to invite quotes from local suppliers, four quotes had been received for the provision of solar panels at the Eskdale Road community centre. Cllr Shanahan and the Clerk had met with each supplier to talk through the Council's requirements. Cllrs Shanahan and Theobald had reviewed the quotes and determined that the installed cost per kwp was the best indicator.

After consideration, it was proposed by Cllr Shanahan, seconded by Cllr Theobald to accept the quote from Company A, Kimbletech, for £53,912. This was unanimously **AGREED**. The quotes were as follows:

- Company A £53,912.

 March for the agreed action.
- Hedges Along Wendover Road up to the Marroway The landowners have been contacted and asked
 to cut back the hedge and remove the fallen branches. The work was carried out on the 14th March
 although the contractors were harassed by a resident who was concerned for the wildlife.
