

Survey for Brudenell Drive Green

Suggested Wording for Survey

Last year the parish council purchased the land at the end of Brudenell Drive. We installed a rope and post fence to stop cars parking on it but we are now looking for ideas for how we can use the area.

The area we own is shown in blue. We don't own the verge on the main road and we need to leave a right of way across the land.

Please let us know what, if anything, you would like the Parish Council to do with the area.

You can email us on email assistant.clerk@stokemandeville-pc.gov.uk
