

Results of Brudenell Drive Bollard Survey

17 out of 31 houses responded (55%)

The respondent who did not want posts made the point that posts may encourage those who parked on the verge at present to park further along Brudenell Drive instead.

Materials Requirement

Length needs is:

|----- 21m -----|----- 6m -----|----- 12m -----| corner

|----- 15 posts -----|----- 5 posts -----|----- 9 posts -----| corner
