Gladstone	1 x Carleton and 1 x Heritage			3245 x 1115	Yes		n/a	£2,238	£50	£800	£1,058	£23,396	
AceShelters (Also known as RS Shelters)			3 Bay Double Front Entry Bus Shelter with perch seat. Any RAL colour we want.  Cost includes delivery and installation. Installation is holes dug and feet concreted into the ground.	3000 x 1400	Yes	4-6 weeks	£4,098	£0	£0	£500	£1,058	£9,753	Solar lighting £2000 per shelter

Cost of £1058 to construct base is quote from Calum. Ace Shelters quote was £3000. Others did not quote

Demolition/removal cost if we do it ourselves would probably be £800 comprising £325 for skip and maybe £475 labour

Installation cost of £50 assumes we do it and this is the cost of a drill bit and bolts
