

C23/07	VEHICLE ACTIVATED SIGN (VAS) The research report was discussed and it was pointed out that we already have some ground sockets on Lower Road, Risborough Road and Wendover Road that could be used, avoiding the need for new applications to Buckinghamshire Councils. There is also a VAS which we can borrow from Weston Turville Parish Council which will fit the sockets. It was AGREED to purchase one solar powered VAS with a pole to fit the existing sockets.	Asst Clerk
