same time incorporating the wishes of the various parties. Suggested that the parties should get together to formalise a plan going forward. The school and football club had responded to the Buckinghamshire Council's request to register expressions of interest to manage green spaces, both had nominated the sports ground.	
The chairman summarised the discussion, in that the proposals were supported, there were more details to be sorted but although too early money was an important factor. It was noted that Cllr Kirve volunteered to get all the interested parties together.	9
The parish council had re-nominated the facility under the Assets of Community Value scheme. A decision was expected over the summer.	
20/61 HS2	
The chairman thanked everyone who attended the meeting with Eiffage Kier and Fusion. It was hoped to have a better relationship with these new engagement teams compared to those in the past. It was requested that they contact the parish council before works / surveys etc, were started. Copies of the presentations would be sent to the parish council.	
20/62 NEIGHBOURHOOD PLAN	
Cllr Prestage gave an update on the Neighbourhood Plan. The Covid-19 pandemic had affected the progress of the plan as Cllr Clark had to focus on other areas. The researcher had been working on getting the evidence papers into a publishable state. The next task was to draft the policy papers, which would be done in three phases: • Drafting the National and County policy context for each policy paper, using the NPPF and VALP.	
Prepare conclusions for each evidence paper.	
Draft policy wording for each paper.	

	In response to a query from Cllr Hunt regarding consultation and publicity, Cllr Prestage answered that the NPSG would be compliant with regulation 14.					
	It was hoped to share aspects of the plan with the parish council on a dripfed basis rather than all at once. The chairman asked whether the group had sufficient resources to complete the plan. Cllr Prestage confirmed that there were sufficient resources. It was also clarified that a Neighbourhood Plan only has legal status before a referendum once it has been completed and the Planning Authority has issued a decision statement detailing its intention to send to referendum.

	d) The F&G committee had recommended that the parish council					
	Partake in the online auction for two areas of land in Hawkslade					
	and that the maximum bid not to exceed £5,000.					
	Based upon the current bid price, the amount of legal fees payable, if					
	successful, and the lack of time to examine the legal documentation, it was proposed by Cllr Robinson, seconded by Cllr Hunt, and
